FERPA rights continue past the age of 18. We would need the signed consent of the student to release.

Good morning,

Please provide the video footage that is referenced in Ronnie Stoner's investigation report regarding an incident that took place in the hallway at Fern Creek HS on or about 2/21/14.

Conclusion:

This investigator finds the allegation that Mr. Stoner made inappropriate comments to ██████████ to be inconclusive. While there is video footage to corroborate that Mr. Stoner did have ██████████ go out to the hallway where they talked for about two and a half minutes, this investigator could not confirm what was said during the conversation. The video footage is consistent with ██████████ account of trying to re-enter the classroom multiple times only to be called back

out. The video footage also shows ██████████ making hand gestures similar to the ones she described during her interview. The video footage also shows Mr. Stoner raise his hand to his face during the conversation.

ID: 11k

According to the request, the date of the alleged incident was February 21, 2014.

Findings: This investigator obtained surveillance video of the hallway where the alleged conversation occurred. The video shows ██████ and Mr. Stoner enter the hallway at 1:19:25 p.m. ██████ starts to walk back in the classroom at 1:19:54 p.m.; however, she turns around and walks back out into the middle of the hallway where she and Mr. Stoner continue to talk. At 1:20:56 p.m., ██████ appears to try to re-enter the classroom again; however, once again she appears to be called back out to continue her conversation with Mr. Stoner. At 1:21:50 p.m., ██████ returns to the classroom (Attachment A).

On February 26, 2014, this investigator went to Fern Creek High School and ██████

Thank you,
Gay

Happy Friday afternoon!

Please provide personnel files, write-ups, performance evaluations, grievances, investigation reports, letters of reprimand, incident reports, transfers, suspensions, settlement agreements, agreed orders, termination/resignation/demotion letters, and/or CPS reports to the extent they exist, involving the following JCPS employees, at any time during their employment:

Ronnie Stoner
Donnie Stoner

Please also provide a copy of any recent emails sent to WLKY and any other news outlets regarding the temporary reassignment of Donnie Stoner. It is referenced in this article.

<https://www.wlky.com/article/manual-head-football-coach-donnie-stoner-temporarily-removed/44549545>

In the essence of time, as I anticipate that the personnel files and investigative reports for the above employees may be voluminous, can you provide a copy of the reassignment letter from Newberg to Manual for Ronnie Stoner in the meantime, as well as any writeups and investigations that contributed to that reassignment?

Thank you,
Gay
